Cued Speech Association UK

Fundraising special

We need funds:

- to provide Cued Speech tuition for people who need to use it to communicate with a deaf child or adult
- to help people who cannot afford the cost of learning to cue
- to give information about Cued Speech so that no child is denied the opportunity to benefit from Cued Speech because parents and professionals did not know about it.

Can you help? Most of these ideas will cost YOU nothing!

Everyclick

Raise money for the Cued Speech Association UK every time you search the web! Please try it. It will cost you nothing and works very efficiently - we can recommend it!

Everyclick is a great new search engine. It works just like other major search engines, for example Google, but every time you use it a small donation is made to the charity of your choice. They have already raised hundreds of thousands of pounds for a wide range of charities.

There's no catch – Everyclick encourages people to use it by giving the 'carrot' of charity donations and they fund their business - like every other search engine – by advertising. **To start fundraising**, just go to www.everyclick.com and put 'Cued Speech Association' in the search box. Click 'Charities', and click on 'Cued Speech Association UK' then just select 'Start fundraising' and complete the simple sign up process. Or go direct to: <http://www.everyclick.com/cued-speech-association-uk/149503/136142>, click on our name then 'start fundraising'.

After you've signed up to Everyclick, an easy way to use it is to click on 'add to searchbar' at the top right of your screen (this means that you can just type in what you're searching for without having the Everyclick page available). Choose **everyclick** then click on the **arrow** at the side of the search box to change the **default search engine** to **everyclick**. You can also make **Everyclick** your homepage by clicking on the 'make homepage' button at the top right of the page.

That's it done! You can now raise money for Cued Speech Association UK every time you search the web.

Support us through your Tax Return

Don't forget when submitting your tax return that you can nominate a charity to receive part or all of any tax repayment that may be due to you. You can also increase the donation by 28p for every £1 donated by using Gift Aid, and remain anonymous if you wish. You'll need to enter our identification code on the tax return form - it's **QAD30XG**.

Shop online

Shop using www.buy.at/CuedSpeech and the Association will get a donation for each purchase.

Shop online this Christmas and help raise funds for

Cued Speech Association UK

www.buy.at/CuedSpeech

Over 100 retailers will make a donation, on average each basket earns £2.50 for us. Over 1 million products.

Mobile Phone and Ink Cartridge Recycling

The Cued Speech Association gets a donation for every mobile phone and ink cartridge recycled (except Epson). We receive up to £7.50 for one mobile phone and £1 for an ink cartridge.....AND you know that they will be recycled rather than contributing to landfill.

We're enclosing a recycling envelope with postal newsletters (click below for a link to order from our e-newsletter). Please help us to raise funds by putting your old phone or cartridge in the FREEPOST envelope and drop it in the nearest post box - no stamp is needed. If you can collect around 50 items, then we can arrange a collecting box with free collection. Remember to take out the SIM card before sending phones off and fill in the details to get replacement envelopes, or ask the Cued Speech office. <http://www.recycle4charity.co.uk/intelsignup.aspx?supporterid=C2245>

A lasting legacy

Each year the government receives £3.3 billion from inheritance tax - an average of £5,500 for every death in every year. Any gift, however small, in your will could make a real difference by helping us to transform the lives of more deaf children and adults – giving them the communication and literacy skills, through Cued Speech, which they need to achieve their full potential in life.

Every penny raised gives us much-needed cash to help us in our work of informing people about Cued Speech and teaching them to use it.
