

Learn to cue: some comments from Cued Speech students

"Thank you SO much for last week's CS course. I really enjoyed it – the people, the learning, the whole thing."

(lipreading teacher, who attended the Improvers Course at the Summer School, 2006)

"Thank you all so much for last week's Summer School. As always, it was excellently organised, informative and very inspiring."

(Speech & Language Therapist, Advanced Course, Exeter, 2006)

"I have just attended the foundation course for cued speech and just wanted to say wow! It was so good, I'm amazed that cued speech is not more prevalent!"

(Communicator, Deaf Children's Unit, Foundation course, 2006)

"Brilliant delivery, fun, interesting, inspiring. Felt I improved so much and enjoyed it too."

(Trainee Teacher of the Deaf, Advanced Course, Summer School 2006)

"Informative, supportive and interesting"

(Educational Communicator, Foundation Course, July 2006)

"Wonderful to find another very useful way of communicating"

(parent of deaf child, Cheadle Hulme Foundation Course, July 2006)

Foundation course 2006

"Fantastic course – not as scary as I thought it would be!"

(Teacher of the Deaf, Foundation Course Exeter, Easter 2006)

"Can't believe that Cued Speech hasn't been 'offered' as a method of communication in any authorities that I've worked for before. It's definitely worth it – it's fantastic – brilliant! (the way forward). Worksheets excellent as was delivery of the course."

(Teacher of the Deaf, Foundation Course, July 2006)

Fun at the 2006 Summer School

"Course materials provided were brilliant. They covered all aspects, e.g. cue script, etc. All materials were fully explained."

(Educational Communicator, Foundation Course, July 2006)

"We would like to say a big THANK YOU for the experience of the Cued Speech Summer School. We had a wonderful time learning to cue."

Parent of deaf child.

"All the course was useful. It is such a good way of communication for deaf people using English"

(Manager of Hearing Resource Centre, Foundation Course, June 2006)

Cued Speech

Giving access to spoken language for deaf babies, children and adults
